

Emotions?

Patience

Mathematical skills

not alone

Delegating skills

Up and down feelings

lost

Together we are more

Hope

Trust in the group

frustrated

How fun was that!

competition

a bit nervous

Communication

great fun!

Teamwork

excited

Conversation skills

Frustration

FUN!

stressful, exciting

GROUP 3 nervous, fun, excitement

stupid (bad computer!)

Sharing "wisdom"

horror

Rationality

Excitement!!!!

Happy at the very END! :D

very happy i when we succeeded and very disappointed when it didn't work and we got stuck

Which competences did you use to get
